TO: Heads of Departments and Agencies
ATTN: Risk Management Coordinators
SUBJECT: \$1,000 Deductible Limit for Theft of Equipment

In adherence to budgetary restraints due to the financial condition of the State, the Risk Management Program is limiting reimbursement of expenditures for certain types of losses that are preventable. The program believes the theft of equipment is preventable. Therefore, effective immediately, a \$1,000 deductible will be imposed on all equipment losses resulting from theft. The departments and agencies must take measures to secure their property from theft.

For more information, please contact the Risk Management Office at 586-0547. Your understanding in this matter is appreciated.
